

TWIN HEAD A-CF

Antracite Supermarket Cooler/Freezer

Product Features

- Freezer / Cooler
- Occupies less floor space
- Increased reliability
- Low energy consumption
- Save on total expenses (operation plus investment costs)
- Bumper bars
- Static cooling
- Automatic defrost
- 2 cooling systems for redundancy
- Ticket strips as accessory

Island installation

Shelf as accessory

Supermarket freezer in need of less floorspace

The TWIN range, with its double cooling system, features innovative design. It reduces the amount of floor space needed and running costs, whilst increasing reliability. Instead of putting two freezers back-to-back, the TWIN is built as a single unit with no partition.

The result is more space for content with a smaller footprint. The units are ideal for supermarkets or grocery stores with limited space, as they have the same volume in litres as two standard freezers of the same length, despite less depth. The space-saving can be used for more rows of freezer islands or to make more room for customers.

Automatic defrosting and LED lighting are of course standard. The range also features a flexible version, able to switch between cooling and freezing.

Design and Material		Measures and Content		Power and Consumption	
Lid No & Type	2 curved sliding	Total Display Area	m ²	Energy Class	
Basket No & Type		Temperature Range	°C	-2	Energy Consumption kWh/24h
Number of dividers	pcs	Climate Class		Annual Energy Cons.	kWh/year
Feet / Legs		Gross / Net Weight	kg	Input Power	W
Exterior Finish	A1	Gross / Net Volume	l	Voltage / Frequency	V/Hz
Interior Finish	P	Cooling and Functions		Noise Level	dB(A)
Interior Light		Type of Controller		Dimensions	
		Type of Cooling		Internal Dimension (WxDxH)	mm
		Type of Defrost		External Dimension (WxDxH)	mm
		Refrigerant		Packed Dimension (WxDxH)	mm
		Refrigerant Charge	g	40ft Container Load	pcs
		Thermometer		Yes
